Copies of All Bills Available in Torrance

A 14-inch thick compilation of all the bills introduced last month in the state assembly and senate is on file at the Chamber of Commerce for interested parties, Executive Secretary H. B. Lewis reported.

The two volumes were forwarded by Assemblyman Vincent Thomas. The assembly, as usual, topped the state senators by filling an eight-inch thick volume with proposed measures. The senate book is only six inches thick. Copies of the bills also are available at the Torrance Herald office.
